Dear Chairman Cohen, Chairman Gresko and Distinguished Members of the Environment Committee ,

I am writing in support of House Bill No. 5145- AN ACT CONCERNING THE USE OF PORTABLE WASTE WATER CONTAINERS.

My name is Peter Brown and my parents built Lone Oak Campsites in the mid sixties. I can remember the blue tanks being used almost from the very beginning of Connecticut camping. I believe that when the regulations were rewritten years ago, because they were so common that they were overlooked and no one thought of putting their use in the new regulations. Thank you for helping us resolve this matter.

Respectfully

Pete Brown
